Acorn Camping and Glamping

Rock Cottage, Prideaux, St Blazey, Par, Cornwall, PL24 2SS. 01726 814185

Directions and important information - Please bring this with you with the map

Before you leave home:

What to bring – Please view our website for information of what to bring and what we provide for the accommodation you have booked. www.acorncampingandglamping.co.uk

On the way:

Sat-nav will only take you to the centre of Prideaux it will not direct you to Rock Cottage. Please follow the directions below:

From the A30 heading west my advice is not to take the Innis Downs exit toward Luxulyan as suggested by Satnav but continue along the A30 and take the next exit, Cornwall Services/Victoria. Take the next left signposted Victoria Business Park and railway station. We are approx. 9 miles from here. Continue into Roche, turn left at the roundabout, signposted St Austell and continue over several roundabouts for approx. 5 miles. Turn left at the roundabout signposted Luxulyan and Eden Project. Continue to the Eden Project entrance roundabout and turn left, next right, next left and left again along the narrow lane with width restriction and weak bridge signs, down the hill 200m, pull into field entrance on the right where you will see as small acorn sign. (If you get to a Cottage you have gone too far).

If coming from the A390 in St Blazey, turn right opposite the Gulf petrol station, New Road leading to Prideaux Road. (We are 1.5 miles from this point). Take the next right signposted Prideaux & Luxulyan. Go through the hamlet & straight ahead, at the narrow lane with width restriction & weak bridge signs continue down the single track lane. 200m as above.

Hiccups: The main reasons people get lost are because of sat-nav directions:

- 1) Saying you are here at: Prideaux House (do not go into Prideaux House)
- 2) Saying you are here at: The Old Manor (do not go into the Old Manor)
- 3) Coming off the A30 at the Innis Downs slip road and not the Victoria slip road
- 4) Ignoring/missing the little lane with the width restriction/weak bridge signs.

When you arrive:

Park on the gravelled area. **Please view the site boards when you arrive.** Follow the signs to the style of accommodation you have booked which is on your receipt. For example: Hobbit Hut, Hobbit Hole, Hobbit Hideaway, The Snook. Keys will be in the doors for arrivals on the day. There may be a choice if you arrive first. Any additional cash payment must be paid on arrival.

You will have an Information Pack in your accommodation. Please read this.

Accidents: Any damage must be reported and paid for before leaving the site.

GAS CANISTERS for cookers: If you are unable to obtain we sell them for £2 each.

LOGS for all fire pits: All logs used on site must be purchased here at £5 per bag.

These items are at the back door of Rock Cottage. Trust jars are there for your convenience.
